Instructions re: Maintenance of security arrangements in Treasuries.

ORDER No. FD 174 RTE 68, DATED BANGALORE, THE 8TH APRIL 1969.

In connection with the Security arrangements in the Treasuries, it was suggested *inter alia* that the strong rooms of the Treasuries should be jointly inspected by the Officers of the Police, Public Works and Treasury Departments at least once a year to examine the defects, if any, in the strong room or the security arrangements made in respect thereof. The Public Works Department and the Home Department who were consulted in the matter have agreed with the suggestions for joint inspection of Treasury strong rooms.

2. It has therefore been decided that with effect from the financial year 1969-70, the representatives of the Police, Public Works and Treasury Depatments at the place should jointly inspect the District and Sub-treasuries as indicated below, in order that the security arrangements and precautions at the Government Treasury are constantly reviewed and remedial measures discussed on the spot and action taken promptly by the concerned officers in so far as the defects relate to their departments:

1. District Treasuries: (1) Superintendent of Police,
   (2) Executive Engineer, and
   (3) District Treasury Officer.

2. Sub-treasuries: (1) Inspector of Police
   (2) Assistant Engineer; and
   (3) Tahasildar.

3. A report of the joint inspection of the District Treasuries should be sent to the Director of Treasuries and reports in regard to Sub-treasuries should be sent to the District Treasury Officers, who in turn will keep the Director of Treasuries informed of this. Such joint inspections should be done at least once a year, before 30th June.

N. S. BHARATH,
Budget Officer and Ex-Officio
Deputy Secretary to Government,
Finance Department.
